PROBLEM OF GENESIS OF UKRAINIAN NATIONALITY ACCORDING TO THE MODERN ETHNOLOGY

This article is devoted to problems of genesis of Ukrainian nationality. The last one arose in Early Middle Age as a most grate nations of Europe (French, English, German, Polish, Serbian, Czechian, Croatian etc). Late Middle Age version of origins Ukrainians, Russians and Byelorussia's is soviet version of very old empire historical myth. It disagree with norms of modern ethnology and formed after Second World War as a typical soviet ideology structure.
