**SOME POINTS OF ETHNICAL, IDEOLOGICAL AND SOCIAL  
PROCESSES IN KYZYL-KOBA CULTURE  
IN VI-V CENTURIES BC**

*The main point of the problem of ethnical process in the Crimea's mountains is a geographic factor of this ecological niche. Crimea's mountains has two main zone of ethnical contacts - step on the north and North Caucasus in the east. The processes of contacts had different characters in different times. It can help to seine the brightest moments of the material culture in Kyzyl-Koba in VI-V centuries BC as points of ethnical, ideological and social processes, which had place in the Crimea and the Caucasus.*
